To whom it may concern, I'd like to let it be known that I request that you OPPOSE both SB16 and HB5416. These laws are written to restrict the law-abiding citizen who chooses to exercise his/her right to defend themselves. I absolutely believe crime needs to be addressed, we have an ongoing problem particularly with juveniles in this state. This series of proposed laws will only create more criminals while doing nothing to stop crime. This proposed legislation does nothing to stop crime in our state while attacking the rights of hundreds of thousands of permit holders statewide. In addition to OPPOSING SB16 AND HB5416, I fully SUPPORT HB388, HB5415, AND HB5412. Anyone who votes in favor of these restrictions on law-abiding citizens will feel the full impact of our effort to VOTE YOU OUT OF OFFICE.

Thank you
